Timber Communities Australia welcomes new Rudd Ministry

Timber Communities Australia (TCA) the national grassroots community representative and support organisation, today welcomes the announcement of the Australian Government Ministry.

“TCA welcomes Ministers Ferguson, Garrett and Wong, to very relevant portfolios for our Australian Timber communities and industry.

We look forward to working with the new Minister for Agriculture, Forestry and Fisheries, Tony Burke, to ensure Social consideration remains a high priority when delivering the Rudd Government commitments as outlined in their forest policy.

TCA has an important message to deliver and it is equally as important that we maintain sound communications with our relevant Ministers and Departments.” Said Jill Lewis CEO
