

REDGUM APPRENTICE WINS AWARD

Braidon Vinecombe is a 3rd Year Apprentice with River Redgum Furnitures in Koondrook, Victoria. Braidon is pictured with his Trade School Final Project the Redgum and Mallee Burl Fat Boy. Recently Braidon won the Gannawarra Business Excellence Awards Apprentice of the Year Award and has been nominated by his TAFE Teachers for TAFE Apprentice of the Year, which is a state wide award.

Unfortunately the draft proposals from the Victorian Environment Assessment Council for the Riverine Redgum Investigation have put the careers of many people like Braidon at risk. If the proposals are accepted by Government then Braidon's amazing skills will be lost to Regional Victoria as he will need relocate to continue in his trade.
